THE HEART

3. From the boxes below, choose the correct labels that cause the heart to beat and mark them on the diagram:

<table>
<thead>
<tr>
<th>Vena cava</th>
<th>Right atrium</th>
<th>Sinoatrial node</th>
<th>Atrioventricular node</th>
</tr>
</thead>
<tbody>
<tr>
<td>Right bundle branch</td>
<td>Left bundle branch</td>
<td>Purkinje fibers</td>
<td>Right ventricle</td>
</tr>
<tr>
<td>Left atrium</td>
<td>Left ventricle</td>
<td>Septum</td>
<td></td>
</tr>
</tbody>
</table>
